NAPLAN Online 2020

Parent/carer consent for exemption and withdrawal

In May 2020 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by all students in Years 3, 5, 7 and 9. NAPLAN will assess the literacy and numeracy learning of students in all Australian schools.

The results of the tests will provide important information to schools about what each student can do and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement and will be able to compare their child's performance against the national minimum standard.

Consideration for exemption can be given to students:

- newly arrived in Australia (less than a year before the tests) and with a language background other than English; **or**
- with significant intellectual disability and/or significant co-existing conditions that severely limit their capacity to participate in the tests.

Exemption must be discussed with the principal.

Students may also be withdrawn from the tests at the request of the parent/carer.
